## GLOUCESTERSHIRE ASSOCIATION OF BOYS' CLUBS

### CHAIRMAN'S REPORT

1979 will, for many, be remembered as the year of assessment — of assets, their effectiveness and cost, and of the quality of services given or received — and this has been true in the field of work with young people just as much as it has been in industry and commerce. Inflation, rising costs and cuts in many services have hit hard at local authorities and voluntary bodies alike. Yet, paradoxically, it is probably the voluntary body which, in this situation, can come forward with some practical help for its statutory partners, largely because of its ability to attract voluntary service from many people at little cost and partly because making one pound do the work of two is an exercise we have long had to practise.

We can look back on the past year as a formative period when, without curtailing any services, we have had to prepare not only to maintain but to increase our effectiveness in the year ahead. We have no reason to be pessimistic. The problems of young people not only remain but, for many, increase — whilst the difficulty of getting adequate funds in a time of inflation must remain a constant worry. Yet, in a strange and perhaps perverse way, the increasing problems give us the challenge to increase and make more effective the work we do.

We see around us those problems created by lack of self respect, by boredom and by the excessive pursuit of personal gain. These problems will inevitably increase unless young people now growing up are given some guidelines which are both acceptable and sensible.

There is no way in which an organization like ours, with limited resources, can attempt to change society — but we can and, I believe, do put before an increasing number of young people the need for personal standards, real effort and proper consideration for others. It is on these values that the future will depend. In our work we need all the help that we can get — personal and financial — for if we believe in a better future, we must help to create it.

As you will see from the list of Affiliated Clubs, we have welcomed a number of new friends during the year and we hope they will make full use of both the Association's resources and those of the National network they have now joined.

DENNIS FREDJOHN, *Chairman, June 1980*

### INDUSTRIAL TRAINING

Our Industrial Training continues very satisfactorily and, with some expansion, we hope to be able to offer places to additional firms during the next year. Over the past two years, young women apprentices and commercial trainees have been pressing for a similar course for themselves and a first — and very successful — week was organized for forty young women in conjunction with the Poole and Dorset Adventure Centre. On the boys' side, despite the difficulties faced by industry at the present time, over six hundred young men have again attended our one or two week courses and we are now beginning to find some of our earlier recruits in responsible positions in industry.

### ADVENTURE CENTRE

Our Adventure Centre at Kerne Bridge continues to be very well used; 36 different youth groups stayed there for over 1,500 bed nights. This means that, during the time that the centre was available — March to December — it was occupied every weekend and all school holiday periods.

The value of the centre for user groups, apart from its superb surroundings, is that groups are able to plan their own programmes, with no restrictions placed upon them other than respect for other people and their possessions. Kerne has also been put to good use as a centre for Senior Member Training Courses for two NABC County Associations and a number of individual Boys' Clubs. Several schools use it as a base from which to carry out practical field study courses whilst Boys' Clubs, Youth Clubs, Scout Troops and many other youth groups enjoyed Kerne as a base for adventure activity programmes. Two social service departments and the Avon group of the National Boys' Club used Kerne to give holidays to children in deprived circumstances.

### SAILING AND TRAINING

The use of our two GP14 sailing dinghys continues to develop steadily. A further eight club leaders and helpers successfully completed the RYA Elementary Sailing Course and, with those from the previous year, we are able to give the opportunity to many young people to try their hand at sailing. For four clubs, sailing is now a firmly established and regular part of their summer programme. We are grateful to the County Council for the use of their Water Sports Centre at South Cerney and to the Warden, Mr. Alan Coombs, for his invaluable assistance.

### MRS. ALICE PRICE, BEM

Her Majesty The Queen recognized the very long and special services given to the Hereford Lads' Club by Mrs. Alice Price who, for over 50 years, has served and continues to serve the club in a most practical way. Old boys, sons and grandsons were among the many who gathered in the Mayor's Parlour to pay tribute to Alice when the presentation of the BEM was made on behalf of Her Majesty by the Lord Lieutenant.

### GRANTS TO CLUBS

One of the less obvious activities of the Association is the help it encourages Clubs to get through its many contacts and this ranges from loans and grants to specialist advice. This year again 15 Clubs have benefitted by substantial grants from Trusts and other contacts towards capital expenditure of over £33,000.

### CONCERT AT BERKELEY CASTLE

We must ourselves continue to raise funds and this, at the present time, is no easy matter. We are, therefore, particularly grateful to those of our friends who organized such a pleasant evening on our behalf at Berkeley Castle — kindly loaned by Mr. Berkeley — where Miss Imogen Cooper gave a most memorable Recital and spent time with the guests at the buffet supper which followed.

### A NEW VENTURE

No year of activity comes to a sudden end — work is already proceeding for the coming years. One of our main aims is, through co-operation, to bring about a widening of our activity and influence. Together with the Local Authority, we shall be launching a drive for more effective management at all levels of youth activities. If we are successful, many groups will become more self-reliant and better use will be made of the limited funds. To further this aim, through the kindness of our President, a conference open to all concerned with young people took place at Stowell Park early in May. This will, we hope, enable us to report significant progress in the area where there can be so much more co-operation between the local authority, ourselves and other voluntary organizations.

### OUR THANKS

There are of course many others we must especially thank for their help and support during the year — the Gloucestershire County Council for practical and financial help, our own National Association, the Trustees of Smiths Charity, our Subscribers, Leaders and Helpers, and the members of our Executive, Industrial and Activities Committees whose consistent work has made our progress possible.

### AN APPRECIATION

It is always with deep regret that one has to record the death of some who have helped us so much and it is important that we should record our appreciation of the service given to our Industrial work by John Traynor, who attended every Cowley Course for 20 years. We shall miss his interest and enthusiasm.

Many outside our Organization would, we know, wish to join in expressing their sense of loss at the tragic death of Jonathan Everett, Instructor at Poole, who lost his life protecting others during one of our Courses.

### ACTIVITIES

Activity is fundamental to Boys' Clubs for we believe that, through a programme of planned activity, Clubs can provide opportunities for bodily growth, development of skills and team spirit, co-operation and support, and the challenge of testing oneself against others — all important needs for growing boys.

The Association is able to offer practical support to Clubs by providing, throughout the year, a programme of activities their members can take part in and which, in many instances, they can — if they are good enough — progress through to National Level. Whilst our regular supporters will recognize many of the following activities from previous years it is important to remember that, for the boys taking part for the first time, the anxiety of the challenge and the excitement of the competition are just as strong now as they were for those young men taking part when these activities were first introduced.

#### Presentation and Awards

We were pleased to have Lord Vestey as our Principal Guest to present the Association's trophies and awards to Competition winners. Over 250 awards were presented to boys and young men from 27 Clubs, all gained through a combination of talent and hard work. Members from the following Clubs gained awards:—

Coleford Youth Club	— Football and Five-a-Side Football
Down Hatherley Boys' Club	— Football, Cricket and Six-a-Side Cricket
Whaddon & College Boys' Club	— Football, Cross Country, Five-a-Side Football, Fishing and Superstars
Nailsworth Boys' Club	— Football, Cricket, Cross Country, Table Tennis, Five-a-Side Football, Six-a-Side Cricket and Superstars
Worcester Amateur Boxing Club	— Boxing
St. Michael's Boys' Club	— Chess, Table Football and Superstars
Gotherington Boys' Club	— Cricket
Rank Xerox Apprentices Assoc.	— Cricket
Frampton Youth Club	— Cross Country
Winchcombe Youth Club	— Cross Country, Table Tennis, Table Football and Shooting
Broadwell Boys' Club	— Darts
Gloucester Gordon League	— Seven-a-Side Rugby: these boys went on to become N.A.B.C. National Champions
Grosvenor Youth Club	— Table Tennis, Fishing and Superstars
Jamaican Youth Club	— Table Tennis
Shurdington Youth Club	— Tug o'War, Seven-a-Side Rugby

Northway Youth Club	— Darts and Shooting
Lydney Youth Club	— Fishing
Roxburgh House Youth Club	— Fishing
Cheltenham Saracens	— Seven-a-Side Rugby
Gloucester Division Volunteer Police Cadets	— Seven-a-Side Rugby
Stonehouse Youth Club	— Table Football
Lucas Bryce Apprentices Assoc.	— Superstars

#### Superstars

Of all the competitions and events, 'Superstars' gives us as organizers the most satisfaction. Here, boys take part in ten different events: 100 metres Sprint, 60 metres Swim, Penalty Goal Kicks, Golf, Squat Thrusts, Dips on Parallel bars, Archery, Long Jump, Javelin and, finally, a Cross Country Run. A very exciting day's sport and always rewarding to see the enthusiasm and endeavour put into the events, and the enjoyment of those taking part.

#### Attitudes and Standards

Competitions can only have winners because others are taking part and we believe the way in which people take part is very important in developing attitudes and standards of behaviour. With this in mind, a very fine Sword has been mounted and given to the Association by the Ramblers Lads' Club to be presented annually as a Club Sportsmanship Award; this will be presented for the first time in July 1980.

A "Club of the Year" Trophy is also presented to highlight the particular efforts and achievements of one Club in a year. We were very pleased, this year, to recognize the very great service given to young people by Mr. John Drew and the Coleford Youth Club over so many years.

#### Regional Events

At Regional level several Members took part in and learnt much from the "Chess for Pleasure" weekend at Dor Knap, near Broadway, a group took part in a weekend with the Army at the Tank

Regiment H.Q., Bovington, Dorset and, at the Regional Festival of Sport, we were represented by players from Coleford Youth Club, Broadwell Boys' Club, Whaddon & College Boys' Club, Winchcombe Youth Club, Grosvenor Youth Club and Nailsworth Boys' Club for Darts, Five-a-Side Football and Table Tennis.

#### National Events

Dave Edwards, Tim Pulson and Craig Hayward from Grosvenor Youth Club and Karston Hale and Neil Bond from Winchcombe Youth Club won through to the N.A.B.C. National Table Tennis finals at Crystal Palace, London.

The Under 14's Five-a-Side Football team from the Whaddon & College Boys' Club reached the National finals in Bradford.

Runners from Winchcombe Youth Club, Nailsworth Boys' Club and Whaddon & College Boys' Club formed the teams to represent Gloucestershire in the tough National Cross Country Championships at Warley, Stoke-on-Trent.

David Bowey from St. Michael's Boys' Club finished fourth overall in the National Chess Tournament and the team from the Gloucester Gordon League became the National Under 16's Seven-a-Side Rugby Champions for the second successive year.

Members from the Walker Crossweller Apprentices Association and Nailsworth Boys' Club successfully completed the N.A.B.C. 100 mile Canoe Test on the River Severn from Welshpool to Worcester and the Whaddon & College Boys' Club won the Linsey Anderson Award for their film "Spring in Summertime".

#### Members Raise Money in Club Week

Club Members during Club Week raised almost £3,000 — a record for Gloucestershire — with an outstanding effort from the Whaddon & College Boys' Club, raising over £1,350. Peter Wadsworth and Norman Seddon from Gotherington Boys' Club and Whaddon & College Boys' Club — the two Clubs that raised the most per head in Club Week 1978 — represented the Association at the N.A.B.C. Launching Ceremony of Club Week by H.R.H. the Duke of Gloucester in London and at a Reception given by the Chairman of the G.L.C. when the boys were able to meet such well-known Boys' Club supporters as Raymond Baxter, Harry Carpenter, Leslie Crowther, Bill Owen and Patrick Moore.

#### Acknowledgements

We are grateful to the following for photographs used in this report; Hereford Times, Ivor Wakeman, Roy Gouldsworthy, Poole & Dorset Adventure Centre.

#### FINANCE

The Accounts on pages 10 to 12 show that despite the external pressures of inflation and declining economic activity, the Association has again emerged with a satisfactory surplus for the year.

On the income side we have benefited from substantial contributions from subscriptions and donations, the proceeds of the concert at Berkeley and the higher interest rates which have been available. So far as expenditure is concerned, we have again received a very welcome contribution to our operating costs from the Industrial Training Courses and we have also been in the fortunate position of requiring no major equipment replacements during the year.

We anticipate that the forthcoming year will prove to be more difficult for the Association. We have already experienced increases in salaries and other costs and this trend will no doubt continue. It is also likely that funds will be required for the replacement of certain items of equipment.

Thanks have already been expressed on behalf of the Executive Committee. I would add my own appreciation of the very great measure of help we have received throughout the year.

James Jack, *Hon. Treasurer*

**ACCOUNTANTS' REPORT**

In our opinion the accounts set out on pages 10 to 12, prepared under the historical cost convention, give a true and fair view of the state of the Club affairs at that date. Also, in our opinion, the statement of source and application of funds on page 12 is fairly presented.

## SCHOOL LEAVERS

### Careers in Mechanical, Production and Electronic Engineering.

The Dowty Group, apart from being one of the largest and most successful employers locally, comprises 25 engineering companies worldwide with a major involvement in the Aerospace and Defence, Industrial, Electronics and Mining industries.

Right now we are able to offer bright young men and women the following :-

#### **Craft Apprenticeships**

For young people who want to become skilled Engineers. Qualifications: Academic qualifications are not essential but we prefer applicants to be sitting at least some CSE or GCE examinations. These examinations help to determine the subsequent technical education required.

#### **Technical Apprenticeships**

The purpose of the Technical Apprenticeship is to produce qualified Technician Engineers required mainly in Technical, Production and Commercial Departments of the Dowty Group. These include the Drawing Office, Development, Stress, Work Study, Production Control, Methods and Quality Control Departments. Qualifications: To qualify, candidates must have achieved GCE 'O' level at a recognised pass grade (or CSE grade 1) in Maths, Physics, Science or English plus one other at the time of leaving school.

#### **Student Engineer**

For young people who wish to become professional Engineers. Qualifications: 2 'A' levels in Maths, Physics, or Engineering Science; or Ordinary National Diploma in Engineering or Technology.

#### **Student Commercial Apprenticeships**

Training opportunities exist for those wishing to enter Commercial Departments such as: Accounting, Sales, Buying, Contracts, Computer and Organisation & Methods. Qualifications: Two 'A' levels (Maths, English or Economics) or OND Business Studies. Early application advised. Selection commences shortly.

**For further details write to:-  
Training Manager,  
Dowty Group Services Limited,  
Arle Court, Cheltenham, Glos.**

# **DOWTY**

Dowty Group Services Limited,

Words,  
words,  
words.

Words reflect the fundamentals of man's aspirations.  
The written word, and its fast, precise communication is  
fundamental too. We strive for continuing improvement.

**RANK XEROX**

Rank Xerox and Xerox are registered trade marks of Rank Xerox Limited

**Walker  
Crosweller**

offers  
**Apprenticeships**  
in  
**Engineering**

Walker Crosweller are the country's leading manufacturer of shower controls and thermostatic mixing valves. In addition to a separate division in Cheltenham which manufactures instruments, there are two overseas subsidiaries in Germany and France with agents in all major countries throughout the world.

*We treat our apprentices as individuals*

*We would like to discuss your future with you*

*Write for an application form to:-*

# ENERGY

IS OUR BUSINESS

**MIDLANDS ELECTRICITY** seeks each year to recruit enthusiastic young people into its training schemes, who will become tomorrow's "MEN AND WOMEN OF ENERGY".

With a combination of comprehensive practical training; further education in a University, Polytechnic or technical College; and skilled instruction in our Residential Staff Training College, or Technical Training School, we produce our future:

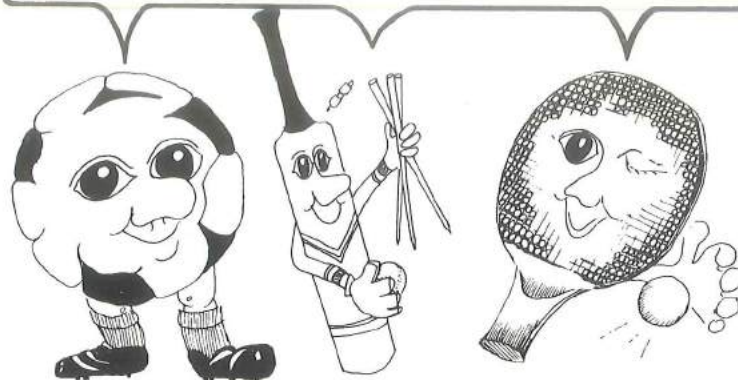

Managers & Executives  
Professional Electrical Engineers  
Electrical Technician Engineers  
Craftsmen: Electricians, Electrical Fitters,  
Cable Jointers, etc.  
Administrative and Clerical Staffs  
Shop Supervisors and Sales Staff

Training normally commences in August/September, but application should be made as early as January/February in each year.

Write for further information about entry qualifications, etc., and an application form; stating your choice of career to:

Area Manager,  
Midlands Electricity Board,  
Southern Area,  
Blackpole Road,  
Worcester,  
WR4 9TB.

**Be a sport -  
bring a friend to Leisureland**

Leisureland is Britain's first sport and leisure Super Store. Whatever your sport, we offer you the widest selection, from the largest range of clothing and equipment, under one roof. We cater like no other local sports store for the individual and club alike. You'll find plenty of space inside to view equipment in comfort.

We run a special discount scheme which your club, school or association is invited to join (get your secretary to ask us about it), and we welcome enquiries for bulk purchases. Why don't you let us quote for your new equipment.

*Come to us before you buy —*

*We do whatever you do, and we help you to do it better!*

**Hours of Business:**

Monday to Friday **9 am — 6 pm**

Saturday **9 am — 5.30 pm**

# Today we refreshed

An entire Ecuadorian soccer team  
3 members of the Houses of Parliament  
8 Ethiopian shepherds  
22 cricketers  
1 picador  
1 banderillero  
19 Italian nuns on vacation  
2 umpires  
186,922 soccer fans  
8 bouzouki players  
A troupe of Norwegian acrobats  
5 Russian tourists  
1 Icelandic customs official  
3 Basque fishermen  
34 members of the Japanese Diet  
2 flamenco dancers  
40 Legionnaires  
and millions of others.

So if we, the bottlers of Coca-Cola, missed you today, we'll refresh you tomorrow.

*Coke adds life to...*  
**having fun.**

\*Coca-Cola and Coke are registered trade marks which identify the same products of The Coca-Cola Company.

# Follow the leader.

Most industries have their pioneers and their leaders.

We're no different.

In lifting gears and bodies for tippers we've innovated quite a few ideas.

British Airways needed to reach high to move containers in and out of aircraft. So we came up with the scissors lift.

Haulage people wanted to move more loads without increasing man hours, so we came up with the Load Luger.

And because transportation costs are high on big packages we created lorry bodies to be carried in small packages.

These are just a few reasons why Telehoist products are at work in over 100 countries.

People like to follow the leader and profit from his experience.

Telehoist Limited, Manor Road,  
Cheltenham GL51 9SH.
